

VENTURA COUNTY AIR POLLUTION CONTROL DISTRICT

RULE 33.6 - PART 70 PERMITS - PERMIT TERM AND PERMIT REISSUANCE

(Adopted 10/12/93)

- A. All Part 70 permits shall be issued for a fixed term of 5 years from the date of issuance of the permit by the District. (Reference: 40 CFR 70.4(b)(3)(iii))
- B. An application for reissuance of a Part 70 permit shall be submitted no more than 18 months prior to the expiration date and no less than 6 months prior to the expiration date on the Part 70 permit. The application will be subject to the same procedural requirements, including those for public participation and EPA review, that apply to initial Part 70 permit issuance. (Reference: 40 CFR 70.5.(a)(1)(iii), 70.7(c)(1)(i)).
- C. The Part 70 permit expiration date in the permit terminates the stationary source's right to operate unless a timely and complete application for permit reissuance has been submitted consistent with Section B of this rule. (Reference: 40 CFR 70.7(c)(1)(ii))
- D. If a timely and complete application has been submitted, then the Part 70 permit shall not expire, and all conditions of the permit shall remain in effect, until the permit has been reissued or denied. (Reference: 40 CFR 70.4(b)(10))
