

VENTURA COUNTY AIR POLLUTION CONTROL DISTRICT

RULE 82 - BURNING RUBBER AND OTHER SUBSTANCES

(Adopted 10/22/68, Revised 5/23/72)

It shall be unlawful for any person, for the purpose of frost protection, to burn any rubber tires, or any other substance containing rubber, or to burn oil or other combustible substances in drums, buckets, tubes, pails or other containers except orchard heaters.

Fuels used in orchard heaters shall comply with applicable Ventura County Air Pollution Control District Rules and Regulations.
