

**EMERGENCY DIESEL ENGINE
2018 ANNUAL REPORT FORM**

Reporting Period: January 1 through December 31, 2018
Report Due Date: February 15, 2019

Your APCD Permit to Operate requires your facility to submit reports of the annual hours of operation and/or maintenance and testing, and emergency use for each diesel emergency engine. If the annual operating hours, excluding emergency operation, exceed the specified annual permit limit, please include an explanation. Please Note: California Health and Safety Code 42304 requires the holder of an APCD Permit to Operate to furnish the information requested by the APCD within a reasonable time or the APCD may suspend the Permit to Operate.
