

DRAFT VENTURA COUNTY 2018 TRIENNIAL ASSESSMENT AND PLAN UPDATE

The Draft 2018 Ventura County Triennial Assessment and Plan Update (Triennial Assessment) for the California Clean Air Act (CCAA) is available for public review and comment. The public review and hearing notice can be downloaded at <http://www.vcapcd.org/pubs/Planning/Draft-2018-Ventura-County-Triennial-Assessment-PublicReview-and-Hearing-Notice.pdf>.

The Triennial Assessment has been prepared to satisfy requirements of the CCAA. The CCAA (under California Health and Safety Code Sections [40924](#) and [40925](#)) requires that once every three years beginning in 1994, California air districts are to assess their progress toward attaining the California clean air standards, report the amount of emission reductions achieved over the three-year period, correct any deficiencies in meeting progress goals, and incorporate new data and projections into their state clean air plans. The most recent triennial assessment period is 2015 through 2017.

The Triennial Assessment shows that Ventura County is still making significant progress towards meeting the state ozone standards. Furthermore, the Triennial Assessment has not identified any deficiencies with respect to meeting progress goals towards the state one-hour ozone standard. The “every feasible measure” analysis conducted for the Triennial Assessment identified four existing District rules with potential for enhancement. It also identified one possible new control measure that would help Ventura County continue its progress towards attaining the state ozone standards.

The Ventura County Air Pollution Control Board will hold a public hearing to consider adoption of the Triennial Assessment at its April 9, 2019 meeting.

The public hearing will be held at the following time and location:

**April 9, 2019 at 1:30 p.m.
Board of Supervisors Meeting Room
Hall of Administration
Ventura County Government Center
800 South Victoria Avenue
Ventura, CA 93003**

The public is invited to attend this hearing and be heard on this matter. The Triennial Assessment is available at the District's website at <http://www.vcapcd.org/pubs.htm#Planning>, and at the Ventura County Air Pollution Control District office located at 669 County Square Drive, 2nd Floor, Ventura, California, between 8:00 a.m. and 5:00 p.m., Monday through Friday. Copies of the Triennial can also be obtained by calling the District at (805) 645-1400.

Written comments should be submitted to the District by **5:00 p.m. on March 15, 2019**. Written comments and questions may be directed to Ali Ghasemi, Ventura County Air Pollution Control District, 669 County Square Drive, 2nd Floor, Ventura, CA 93003, email: aghasemi@vcapcd.org, or facsimile: 805-645-1444.
