AGRICULTURAL ENGINE REGISTRATION APPLICATION FORM

(Application must be typewritten, computer generated, or hand printed in ink. Complete all pages of the application.)

IMPORTANT: To assure that your application is complete include all of the following when submitting this application:

- Registration Fee
- Complete all sections
- Signature on Application
- One Engine per Application

San Luis Obispo APCD: $217  Santa Barbara APCD: $242  Ventura APCD: $200

This application form is for the registration of existing and new stationary and portable diesel engines rated greater than or equal to 50 bhp that are used in Agricultural Operations. To the extent allowed by law, the engine registered in this application may be operated in San Luis Obispo, Santa Barbara or Ventura Counties. The registration will denote any geographic operational restrictions. You do not need to register diesel engines used to power agricultural wind machines or engines that provide motive power (i.e., motor vehicles, tractors). You are required to register the engine in the County that the engine resides. See Form AG-2 for instructions and common definitions of the terms used in this application and the Airborne Toxic Control Measure. Submit this application to the District in which the engine resides.
