4. San Luis Obispo APCD's 2022-2027 Fiscal Plan and Inflation's Effect on Funding from DMV Fees. (Willey)

Item Received.

Gary Willey outlined SLOAPCD's 5-year fiscal plan. The Plan was developed following all accounting controls, regular financial reporting, annual independent audits, and separate grant funding in separate trust accounts. He outlined the goals and objectives of the Plan, reviewed current and projected expenditure trends, revenue trends, and District fiscal needs. Mr. Willey informed the committee of strategies the District will or plans to implement to balance their budget including staffing changes, increased fees, and strategies for the use of the reserve funds.

Mr. Willey also gave the committee a presentation on the Budget impacts from the depreciating value of DVM \$4 funding. He summarized the background of AB 2766, walked the committee through factors affecting revenue from AB 2766, and briefly discussed future statewide impacts.

5. Enhancement to Ventura County Wildfire Smoke Text Alert System for Farmworkers. (Ghasemi)

Item Received.

Ali Ghasemi gave the committee a presentation on their wildfire smoke text alert system for farmworkers. Mr. Ghasemi briefly summarized the background that brought about this system, summarized Cal/OSHA regulation – Title 8, how their text system works, showed what the text messages look and sound like in English, Spanish, Mixteco, and Zapoteco, and when and how frequently messages would be sent out.

6. Electric Grid Reliability Issues. (Arlin Genet/Harris)

Item Received.

David Harris gave a presentation about energy reliability. He summarized the background of energy demands especially during high temperature and/or other emergency situations, the levels of notifications issued by Caliso when there are strains on the energy supply, Executive Orders and Emergency proclamations recently declared by the California Governor in order to use less energy during emergencies, the use diesel generators, and agency coordination to ensure air quality concerns

are taken into consideration. Mr. Harris also summarized Santa Barbara County APCD's outreach efforts during recent heat emergencies. Lastly, he informed the committee of current projects by SoCal Edison and the Department of Water Resources.

7. The Massive Retirement Wave created by the California Clean Air Act of 1988 and the Federal Clean Air Act of 1990.

(Willey)

Item Received.

Gary Willey detailed staffing changes from 1988 to current years. Informed the committee of the challenges of turnover, mass transitions into retirements, competition with remote jobs, and low levels of experienced of individuals during the recruitment process.
